

My Father Gave me Seeds

My father gave me seeds.
I gave the seeds to the earth.
The earth gave me flowers.
I gave the flowers to the bees.
The bees gave me honey.
I gave the honey to a merchant.
The merchant gave me cloth.
I gave the cloth to a tailor.
The tailor gave me a cloak.
I gave the cloak to a farmer.
The farmer gave me seeds.
I gave the seeds to my father.
My father gave thanks for the seeds.
